Innovative Programs
AP Capstone Participant
Research in Science is an independent science course which prepares students for developing and preparing scientific experiments. The students’ goal is to present their projects at local, regional, national, and international science fairs.
An expansive theater program offers students many opportunities to perform throughout the year. This program taps into the talents of younger students throughout the district, involving them in selected performances with East students.

Continuing Education
90% of graduating seniors continue their education:
78% to 4 year Colleges or Universities
12% to 2 year Colleges or Career Colleges

Student Involvement
ATHLETICS—More than 1,100 male and female students participate on 28 varsity teams.
EXTRACURRICULAR PROGRAMS—More than 1,500 students participate in 69 programs focused on drama, student government, publications, vocal and instrumental music, and academic, business, community service, and ethnic culture clubs.

Student Awards
ENGLISH—The school newspaper, Eastside, is consistently recognized as the top newspaper in the country by the American Scholastic Press Association. The school literary magazine, Demogorgan, received a First Place Award from ASPA.

SCIENCE AND MATHEMATICS—Recognition in international, national, state, and regional competitions in mathematics, biology, physics, and chemistry.
BUSINESS—Top finishes in regional and state DECA competitions; multiple top-ten finalists at the International DECA Conference.
ATHLETICS—Championship caliber teams! Multiple State and Conference Championships won by Boys and Girls Swimming, Boys and Girls Tennis, Boys and Girls Volleyball, Soccer, Bowling, Track, and Golf.
MUSIC AND DRAMA—National and state awards in vocal music, jazz band, marching band, wind ensemble, acting, and theatrical productions.
WORLD LANGUAGES—Many students honored annually for performance on the National Latin Exam, National German Exam, and National French Contest.

SECONDARY SCHOOL RECORD – TRANSCRIPT

In evaluating this transcript, please consider the following:

1. Cherry Hill High School East uses a “tracking” system which permits students to take all academic courses on four levels. These are designated as Advanced Placement (AP) or Honors (H), Accelerated (A), and Regular (R).

2. A weighted system of determining a student’s grade point average is used. (See Above).

3. In July 2009, the Cherry Hill Board of Education adopted a new procedure regarding the reporting of class rank on seniors’ transcripts. Seniors now have the option to either report or not report their class rank to colleges and universities.

4. Any student who takes the majority of his courses at the R level will, because of our weighted system, show a class rank which is in the middle three quintiles of the class.

5. The top two quintiles will primarily include those students who take their courses on the Honors and/or Accelerated levels.

6. Since approximately 94% of the graduating class will continue their education after graduation, it is accurate to say that most of the students enrolled in Regular level courses will enter college.
